- We understand and facilitate the needs of educational travel.
- We have effective Safety Management Systems in place, specifically focused on travelling with young students.

To ensure our health and safety standards are maintained, our systems and procedures are fully audited annually by independent experts.

The Mark of Quality Educational Travel

STF membership is the benchmark for good school tour providers, consequently it is an Awarding Body for the prestigious Learning Outside the Classroom Quality Badge. The Outdoor Education Advisors Panel (OEAP) endorses the Quality Badge and requests that Local Authorities recommend the use of Badged Providers and require the minimum of additional paperwork where Quality Badge accreditation is in place. This means that you can book your trip with confidence, meet your due diligence and reduce the amount of paperwork from external providers.
